Shipping & Delivery

Q: What are your shipping options?

We offer standard shipping (5-7 business days) and express shipping (2-3 business days). Free standard shipping is available on orders over ₹1,000.

Q: How can I track my order?

Once your order ships, you'll receive a tracking number via email. You can track your package on our website or the carrier's tracking page.

Q: Do you ship internationally?

Currently, we only ship within India. International shipping support is planned for 2027.

Returns & Refunds

Q: What is your return policy?

We accept returns within 30 days of delivery for most products. Items must be unused, in original packaging, with all accessories and documentation. Refunds are processed within 7-10 business days after we receive the return.

Q: How do I initiate a return?

Log into your account, go to Order History, select the item you want to return, and click 'Request Return'. You'll receive a prepaid return label via email within 24 hours.

Q: Are there any items that cannot be returned?

Yes, software products, opened personal care items, custom-configured laptops, and clearance items marked 'Final Sale' are not eligible for return.

Warranty & Support

Q: What warranty do you offer?

All electronics come with a manufacturer's warranty (typically 1 year). Extended warranty options are available at checkout. Warranty covers manufacturing defects but does not cover accidental damage or normal wear and tear.

Q: How do I file a warranty claim?

Contact our support team with your order number and description of the issue. We'll guide you through troubleshooting steps. If the product is defective, we'll arrange repair or replacement at no charge.

Q: Do you offer technical support?

Yes! Our technical support team is available Monday-Friday, 9 AM to 6 PM IST. You can reach us via phone, email, or live chat on our website.

Payment & Billing

Q: What payment methods do you accept?

We accept credit cards (Visa, MasterCard, American Express), debit cards, UPI, net banking, and digital wallets like Paytm and PhonePe.

Q: Is my payment information secure?

Absolutely. We use industry-standard SSL encryption and never store your complete card details. All payments are processed through secure, PCI-compliant gateways.

Q: Can I get an invoice for my purchase?

Yes, an invoice is emailed to you immediately after your order is confirmed. You can also download invoices from your account's Order History section.

Account & Orders

Q: Do I need an account to place an order?

You can checkout as a guest, but creating an account lets you track orders, save addresses, earn rewards, and access faster customer support.

Q: How do I cancel my order?

Orders can be cancelled within 1 hour of placement through your Order History page. After that, the order enters processing and cannot be cancelled, but you can return it once delivered.

Q: Can I modify my shipping address after ordering?

If your order hasn't shipped yet, contact our support team immediately. We'll do our best to update the address. Once shipped, address changes are not possible.
